Background

The Declarant created this Subdivision with the intent of creating a community designed to provide housing for older persons and this Subdivision has always been occupied by residents using it for that same purpose. Since this Subdivision was created prior to Housing for Older Persons Act of 1995 and any federal or state laws specifically addressing housing for older persons, the Declarant accomplished this goal by prohibiting persons under 19 years of age from living in the Subdivision. Following the creation of this Subdivision the Housing for Older Persons Act of 1995 and other federal and state laws were enacted to create exemptions, for housing for older persons, to the newly created familial status laws. These new laws caused the Declarant to revise their Declaration of Restrictions on subdivisions created thereafter to include the language in Article VII, Section 19, referenced below, in order to continue to provide housing for older persons.

Since this Subdivision was always intended to provide housing for older persons and has always provided housing for older persons, and since it complies with the Housing for Older Persons Act of 1995 and other federal and state laws exempting housing for older persons, it is necessary for the Declarant to amend these Restrictions so that this Subdivision shall be subject to Article VII, Section 19 below, in order to insure continued compliance with these new laws.

NOW, THEREFORE, the Restrictions are amended as follows:

USE RESTRICTIONS

Housing for Persons 55 Years of Age and Older is hereby added to the Restrictions to read as follows:

The Subdivision is an adult community designed to provide housing for persons 55 years of age or older. All Homes that are occupied must be occupied by at least one person who is at least fifty-five (55) years of age. No person under nineteen (19) years of age may be a permanent resident of a Home, except that persons below the age of nineteen (19) years may be permitted to visit and temporarily reside for periods not exceeding thirty (30) days in total in any calendar year period. The Declarant or its designee in its sole discretion shall have the right to establish hardship exceptions to permit individuals between the ages of nineteen (19) and fifty-five (55) to permanently reside in a Home even though there is not a permanent resident in the Home who is fifty-five (55) years of age or over, providing that said exceptions shall not be permitted in situations where the granting of a

SUMTER COUNTY, FLORIDA

hardship exception would result in less than 80% of the Homesites in the Subdivision having less than one resident fifty-five (55) years of age or older, it being the intent that at least 80% of the units shall at all times have at least one resident fifty-five (55) years of age or older. The Declarant shall establish rules, regulations policies and procedures for the purpose of assuring that the foregoing required percentages of adult occupancy are maintained at all times. The Declarant or its designee shall have the sole and absolute authority to deny occupancy of a Home by any person(s) who would thereby create a violation of the aforesaid percentages of adult occupancy. Permanent occupancy or residency may be further defined in the Rules and Regulations of the Subdivision as may be promulgated by the Declarant or its designee from time to time. All residents shall certify from time to time as requested by the Declarant, the names and dates of birth of all occupants of a Home.

This paragraph shall apply to all Owners and occupants of Homes that are in compliance with this paragraph as of the date of recording of this Amendment. A vacant Home shall also be deemed in compliance with this paragraph. However, this paragraph shall not apply to any Owner or occupants of a Home that is in violation of this paragraph as of the date of recording of this Amendment until such time as the Home becomes vacant, is transferred or otherwise comes into compliance with this paragraph, and from that day forward the Owner shall, at all times, comply with this paragraph.

Any provisions, terms or parts of the restrictions listed above not changed, modified or removed except as stated herein remain in full force and effect as they exist in the Restrictions recorded in the Public Records of Sumter County, Florida.

Section 3. No Maintenance by Sumter County. No maintenance services on the roadways, drainage easements, drain pipes, or any other maintenance services within VILLA DE LA VISTA WEST will be performed by county government of Sumter County, Florida.

ARTICLE III. THE VILLAGES AMENITIES FEE

Each owner hereby agrees to pay a monthly assessment, or charge against each lot for the use of the recreational and other amenities of The Villages of Lady Lake and The Villages of Sumter in the amount per month set forth in such owner's Deed. The amenity fee set forth is limited to the owner named therein. In the event the owner(s) transfers, assigns or in any way conveys their interest in and to the lot, the new owner(s) shall be obligated to pay the prevalent maintenance sum that is then in force and effect for new owner(s) of lots in the most recent addition or unit of The Villages of Sumter. The monthly assessment, or charge as set forth in this section is based on the cost of living for the month of sale as reflected in the Consumer Price Index, U.S. Average of Items and Food, published by the Bureau of Labor Statistics of the U.S. Department of Labor. The month of sale shall be the date of the Contract for Purchase of the lot. There shall be an adjustment in the monthly assessment or charge in three years after such date and every year subsequent

thereto. The adjustments shall be proportional to the percentage increase or decrease in the Index from the date of sale to three years from said date and each subsequent one year period thereafter. Each adjustment shall be in effect for the intervening one year period. Adjustments not used on any adjustment date may be made any time thereafter. Each owner agrees that as additional facilities are requested by the owner(s) of lots in The Villages of Lady Lake and/or The Villages of Sumter and the erection of such additional facilities is agreed to by the Declarant, that upon a vote of one half (1/2) of the owners in The Villages of Lady Lake and The Villages of Sumter, including the owners in VILLA DE LA VISTA WEST, approving such additional facilities and commence with charges therefor, the monthly assessment as provided for in this section shall be increased accordingly without the limitations set forth herein. For the purpose of all votes the Declarant shall be entitled to one (1) vote for each lot owned by the Declarant. The monthly charges shall be paid to the Declarant or its designate each month to insure the provision of the services being paid for. The monthly charges for services described in this section shall be due and payable to Declarant and said charges once in effect will continue month to month whether or not said lot is vacant. Owner does hereby give and grant unto Declarant a continuing lien in the nature of a mortgage upon the lot of the owner superior to all other liens and encumbrances, except any institutional first mortgage. This lien shall secure the payment of all monies due Declarant hereunder and may be foreclosed in a court of equity in the manner provided for the foreclosures of mortgages. In any such action or any other action to enforce the provision of this lien, including appeals, Declarant shall be entitled to recover attorney's fees incurred by it, abstract bills and court costs. Owner together with owner's heirs, successors and assigns, agree to take title subject to and be bound by, and pay the charge set forth herein and acceptance of the deed shall further signify approval of said charge as being reasonable and fair, taking into consideration the nature of Declarant's project, Declarant's investment in the

recreational area, and in view of all the other benefits to be derived by the owners as provided herein. Owner acknowledges that owner and owner's heirs, successors and assigns, shall not have any right, title, claim or interest in and to the recreational area and facilities contained herein or appurtenant thereto, by reason of this agreement or otherwise, it being specifically agreed that Declarant, its successors and assigns, is the sole and exclusive owner of said facilities.

ARTICLE IV. PROPERTY RIGHTS

Section 1. Reciprocal Easements. There shall exist reciprocal appurtenant easements between adjacent lots and between lots and adjacent common areas or reserved areas. Each lot may be both benefitted and burdened by side yard easements, easements for ingress and egress, and easements for maintenance. Such side yard easements shall be as described below:

(a) Side Yard Easements.

(1) Scope and Duration. There shall exist for the benefit and use of the dominant tenement, side yard easements over and upon the servient tenement. The easements shall be perpetual and the holder of the dominant tenement shall have exclusive use of that portion of the servient tenement burdened by the side yard easement, except that the servient tenement shall retain the following rights:

(i) The owner of the servient tenement shall have the right at all reasonable times to enter upon the easement area, including the right to cross over the dominant tenement for such entry, in order to perform work related to the use and maintenance of the servient tenement. In exercising the right of entry upon the easement area as provided for above, the owner of the

servient tenement agrees to utilize reasonable care not to damage any landscaping or other items existing in the easement area.

(ii) The servient tenement shall have the right of drainage over, across and upon the easement area for water draining from the roof of any dwelling or structure upon the servient tenement, the right to maintain eaves and appurtenances thereto and the portions of any dwelling structure upon the servient tenement as originally constructed or as reconstructed pursuant hereto.

(2) Description of the Side Yard Easement.

The dominant tenement shall be the property benefitted by the use of the side yard easement, and the servient tenement shall be the property burdened by the side yard easement. The side yard easement shall extend over that portion of the servient tenement, lying between the exterior of the side dwelling wall of the servient tenement (on the garage side) and adjoining side lot line

of the adjoining dominant tenement; and also extending from the exterior of the said side dwelling wall of the servient tenement in a straight line with the exterior side wall to the rear lot line of servient tenement; and also that portion of the servient tenement lying between the driveway of the servient tenement as originally constructed by the developer, and the adjoining side lot line of the dominant tenement. The dominant tenement shall be responsible for maintenance of the side yard easement.

(3) Lots Affected by the Side Yard Easement.

The side yard easement shall benefit and burden the following lots:

(i) Lots both burdened and benefitted by side yard easements shall be Lots 2 through 18, 21 through 29, 32 through 63, 66 through 74, 77 through 89, 92 through 102, 105 through 119, 122 through 126, 129 through 139, 142 through 149, and 152 through 157.

(ii) Lots burdened but not benefitted by side yard easements shall be Lots 19, 20, 64, 65, 76, 103, 104, 127, 140, 150, and 158.

(iii) Lots benefitted but not burdened by side yard easements shall be Lots 1, 30, 31, 75, 90, 91, 120, 121, 128, 141 and 151.

Section 2. Owner's Easements of Enjoyment in Common Areas.

Every owner of a lot shall have a right and easement of ingress and egress and enjoyment in and to the common area.

Section 3. Easements of Encroachment. There shall exist reciprocal appurtenant easements as between adjacent lots and between each lot and any portion or portions of the common, reserved and dedicated areas adjacent thereto for any encroachment due to the nonwillful placement, settling, or shifting of the improvements constructed, reconstructed, or altered thereon, provided such construction, reconstruction, or alteration is in accordance with the terms of this declaration. Such easement shall exist to a distance of not more than one (1) foot as measured from any point on the common boundary between adjacent lots, and between each lot and any adjacent portion of the common area. No easement for encroachment shall exist as to any encroachment occurring due to the willful conduct of an owner. A certificate by Declarant recorded in the Public Records to the effect that an encroachment is not willful, shall be conclusive proof thereof.

Section 4. Other Easements.

(a) Easements for installation and maintenance of underground utilities, cable television, drainage and drainage facilities, are hereby reserved over the common, reserved and dedicated areas, and over the rear 7 1/2 feet, front 5 feet, and 5 feet along both sides of each Lot. Within these easements, no structure, planting, or other material shall be placed or permitted to remain which may damage or interfere with the installation and maintenance of utilities, or which may damage, interfere with, or change the direction of flow of drainage facilities in the easements. The easement area of each lot and all improvements therein shall be continuously maintained by the owner of such lot, except for improvements for maintenance of which a public authority or utility company is responsible.

(b) No dwelling unit or other structure of any kind including fencing shall be built, erected, or maintained on any such easement either created in this Declaration or as shown on the plat, or by reservation or right of way, except that patios and walks may be constructed by the dominant tenement over the

easements reserved over the strip of land running along the side lot line of each lot, and also except for the white picket fence as originally constructed by the Declarant. Such easements, reservations, and rights of way shall at all times be open and accessible to public and quasi-public utility corporations, their employees and contractors, and shall also be open and accessible to Declarant, its successors and assigns, all of whom shall have the right and privilege of doing whatever may be necessary in, on, under, and above such locations to carry out any of the purposes for which such easements, reservations, and rights of way are reserved.

Section 5. No Partition. There shall be no judicial partition of the common area, nor shall Declarant, or any owner or any other person acquiring any interest in the subdivision or any part thereof, seek judicial partition thereof. However nothing contained herein shall be construed to prevent judicial partition of any lot owned in co-tenancy.

ARTICLE V. USE RESTRICTIONS

Section 6. Birds, fish, small dogs and cats under 40 pounds shall be permitted, with a maximum of two (2) pets per lot. Each owner shall be personally responsible for any damage caused the common area by any such pet and shall be responsible to immediately remove and dispose of any excrement of such pet and shall be responsible to keep such pet on a leash. Section 14. The Declarant reserves the right to prohibit or control all peddling, soliciting, selling, delivery and vehicular traffic within the subdivision.
