Traffic Pattern Change for CR 470 Between Bexley Trail and Florida Turnpike

Sumter County, FL – A new traffic pattern begins Wednesday, May 15, 2024 for traffic on CR 470 between Bexley Trail and the Florida Turnpike.

Beginning Wednesday, May 15, eastbound traffic will be required to travel along Central Parkway east of Bexley Trail in order to access eastbound CR 470. For those traveling westbound, drivers will be required to turn off CR 470 just west of the Turnpike where they will approach a roundabout at Central Parkway. At this roundabout, drivers will need to take the third exit in order to travel westbound along Central Parkway towards Bexley Trail.

Please see the graphic of the new traffic pattern below.
