Construction Project Will Cause Lane Closures on El Camino Real and Buenos Aires Blvd.

Sumter County, FL – A rehabilitation and force main project, which includes pipe installation, will occur on the Little Sumter Service Area (LSSA) Lift Stations 2 and 13 beginning January 8, 2024. The construction work will affect commuter traffic on Buenos Aires Blvd. El Camino Real, US 441 and NE 136th Ave. The contractor will utilize traffic control devices to close one westbound El Camino Real lane. One Buenos Aires Blvd. eastbound lane will be closed as well with a low-profile barrier wall. Work on the project will take place from 7 a.m. to 5 p.m. The anticipated completion on the pipe installation work is March 2024. Business, homeowners and visitors will need to use the Banderas Avenue entrance for entry and exit.

Please use caution when traveling Buenos Aires Boulevard, El Camino Real, US 441 and NE 136th. Heavy machinery will be working near the travel way. Please use caution to protect yourself and construction workers. The anticipated completion of the entire project is July 2024.
