## Lane Closures Set for Morse Blvd. Guard House Work

Sumter County, FL – The Villages Community Development District 1 will be performing roof replacement work on the North and South gate houses on Morse Blvd, which will result in temporary lane closures on Morse Blvd.

For the Morse Blvd. North Gate House, all entrance lanes of the roundabout where Morse Blvd. intersects El Camino Real/Paige Pl. will be reduced to single lanes, and the exit lane on the southwest leg of Morse Blvd. will also be restricted to one lane. The proposed work will take place from 8:30 p.m. on Wednesday, September 4 to 6 a.m. on Thursday, September 5, 2024.

At the Morse Blvd. South Gate House, the inside lanes of Morse Blvd. just north of C 466 will be closed from 6 a.m. to 6 p.m. on Friday, September 6, 2024.

Flaggers will be present at both locations to assist with golf cart traffic. Motorists are advised to use extra caution as these areas also have golf cart traffic in addition to automobiles. Follow traffic signs and flaggers to ensure safety for all.
