Daytime Lane Closures: Morse Boulevard
Improvement Project from 1,000 feet South of
Stillwater Trail to SR 44

The Villages, FL –

The Morse Boulevard improvement project construction will commence the week of March 2, 2020, and is scheduled for completion on June 14, 2020, shortly after the start of the formal hurricane season of June 1st.

Given the location of the construction, lane closures will be utilized during the daytime hours between 7:00 AM and 5:00 PM.

This project is the second of three phases to complete the renovation of Morse Boulevard. This phase includes the section 1,000 feet South of Stillwater Trail to Morse Boulevard. The final phase will follow receipt of a one million dollar grant from the State of Florida that will be available after July 2020.

Please use caution when traveling Morse Boulevard during the construction. Partial lane closures are to be expected, and heavy machinery will be working near the travel way. Please travel at the posted construction speed limit to protect yourselves and our construction workers.
