Portion of St. Charles Place to Close for One Month for Stormwater Pipe Replacement

Sumter County, FL — Beginning Monday, Sept. 23, 2024, St. Charles Place will be closed for approximately one month from east of Allamanda Recreation Center to the west of Darlington Drive. The closure is due to a damaged stormwater pipe. The work includes replacing 340 linear feet of damaged pipe and two structures within the system.

Travelers may detour around the closure by using Bailey Trail or Buena Vista Boulevard.

Please use caution when traveling St. Charles Place, and follow all traffic signs to protect yourself and construction workers.
