New Four-Way Stop at CR 101 and Woodridge Lane

Sumter County, FL – The Board of County Commissioners approved a new four-way stop sign for the intersection at CR 101 and Woodridge Lane, which will go into effect on Monday, March 18. Currently, only Woodridge Lane stops at that intersection.

Sumter County Public Works conducted a study and analysis of the intersection in 2023, which led to the recommendation of making the intersection a four-way stop. The intersection has seen 16 crashes within three years, from October 1, 2020, to September 30, 2023, with the majority considered “correctable crashes.”

Traffic volume is not expected to significantly increase as the area is largely developed. However, it was deemed that a four-way stop sign was warranted due to traffic volume and other considerations.
