The following Frequently Asked Questions relating to sanitation information pertain only to those residents residing in Village Community Development Districts 1-11 in Sumter County, Marion County and the Villages of Fruitland Park. For additional information, please contact Finance Customer Service at (352) 750-0000.

How much is the sanitation fee?
The current monthly residential fee for Sumter and Marion counties is $19.38. Commercial customers can contact Finance Customer Service at 352-750-0000 for a current rate schedule and application for service.

Is this a permanent fee?
The collection of sanitation is part of your contractual declaration of restrictions and is provided by the North Sumter County Utility Dependent District (NSCUDD) which owns Sumter Sanitation. Sumter Sanitation contracts the service to Jacobs. NSCUDD has the authority and responsibility to amend its schedule of rates, fees, and charges from time to time to ensure the perpetuation of service.

When do I receive a bill for sanitation services?
The fee for the sanitation services is included on the monthly amenity/water/sewer/irrigation bill.

What happens if I pay late?
Monthly bills are issued with specific due dates. Amounts not paid by the due date are subject to a 5% (five percent) late charge as provided in the rate rule adopted by NSCUDD.

Can I have the sanitation bill sent to a third party, who is not the primary owner?
The bills remain in the name of the current property owner on file with the respective County Clerk’s office. The owner of a participating dwelling unit or commercial unit whose name appears on the real estate tax bill for the property is the responsible party for the sanitation fee. Bills can be mailed to any address requested by the owner.

Can I schedule the sanitation fee payment through an automated debit to my bank?
The entire amenity/water/sewer/irrigation and sanitation bill can be set up for automatic draft, linked to existing bank accounts. The District cannot separate out the sanitation charge for an automatic debit service that is linked to existing bank accounts.

Do I have to pay the sanitation fee if my property is vacant?
Yes, the sanitation fee, along with the amenity/water/sewer and irrigation fees are year-round fees and charged regardless of whether the property is occupied or not.
Does the fee include disposal of bulk items?
Yes. Please contact the service provider directly to schedule pick-up of bulk items. Their office is open Monday – Friday 8:00 am – 5:00 pm (excluding holidays) at 352-748-0109.
