ARTICLE 3: EQUAL EMPLOYMENT OPPORTUNITY / HARASSMENT

The current District policies, referenced in the Village Center Community Development District Employee Manual, and amendments thereto, regarding equal employment opportunity and harassment shall remain in effect for the term of this Agreement.

All references in this Agreement to employees of the male or female gender are used for convenience only and shall be construed to include both male and female.

1. Any member of the Union who has submitted a properly executed dues deduction card or statement to the District in accordance with a format prescribed or approved by the District, may, by request in writing, have their membership dues and/or initiation fees in the Union deducted from their wages each paycheck. The District shall commence the deduction of dues within forty-five (45) days of the receipt of the request. The District shall forward dues and initiation fees so deducted from each employee's salary to the Union within sixty (60) calendar days after the receipt of the dues deduction authorization by the District. The District shall have neither responsibility for nor liability for any monies once sent to the Union, nor shall the District have any responsibility of liability for the improper deduction or non-deduction or refusing such deduction. The Union shall indemnify the District and hold it harmless against any and all suits, claims, demands, and liabilities which arise out of any action taken or not taken by the District to comply or attempt to comply with the provisions of this article.

Moreover, it is the right of the District to exercise the management rights as determined by the Florida Public Employee Relations Commission and the courts of competent jurisdiction. ARTICLE 6: UNION BUSINESS

1. It is the District's position that bargaining unit employees shall be paid by the District only when they perform assigned fire and rescue duties and/or work directed by the District. To the extent that these employees wish to perform Union duties (such as negotiations, attend Union conventions, etc.) during their normal work schedules, they may utilize, annual leave (vacation), Union Time Pool, holiday leave, or shift swaps.

When such is the case, the District will make every effort to accommodate bargaining unit members and union representatives who are so involved by scheduling such disciplinary and/or grievance meetings or hearings during participants' regular working hours.
3. The Union desires to establish the ability for bargaining unit members to voluntarily donate vacation hours from their balances to be used only by the Union President or their designees to offset the use of their own paid time off for the purpose of conducting union-related activities (such as negotiations, grievance processing, attending Union conventions, etc.).
 - A. When time is required for the above-mentioned purposes, the Union shall solicit their membership for donations of vacation time to be utilized as outlined above. The Union President or their designee shall submit to the Fire Chief or their designee the required form specifying the number of hours donated by each bargaining unit member at least one (1) pay period prior to use so that adjustments of time can be made to balances for both donors and recipients.
 - B. The Union agrees to indemnify and hold harmless The District, its agents, employees and officials from and against any claims, demands, damages or causes of action of any nature whatsoever, asserted by any person, firm or entity, based on or relating to any annual leave deduction undertaken under this Article, and agrees to defend at its sole expense any such claims against The District or its agents, employees or officials. The term officials as used herein include elected or appointed officials.

ARTICLE 7: SEVERABILITY

If any provision of this Agreement is rendered or declared invalid by any court action or by reason of any existing or subsequently enacted legislation, the remaining provisions of this Agreement shall remain in full force and effect for the term of this Agreement. In the event that any provision of this Agreement is lawfully declared invalid, the District and the Union shall meet as soon as practicable to negotiate a replacement provision.

ARTICLE 9: WORK STOPPAGES

1. There shall be no strikes, lockouts, work stoppages, slow-downs, mass resignations, sick-outs, picketing of the residences of public officials, or other job actions or refusal to perform assigned work authorized by this Agreement in furtherance of the aforementioned (strikes, lockouts, etc.) by the employees covered under this Agreement.
2. The parties agree that any employee who participates in or promotes any of the aforementioned activities may be discharged or otherwise disciplined by the District/Department.
3. The Union recognizes that the District/Department and the employees covered hereunder are responsible for and engaged in activities which are the basis of the health and welfare of the community's citizens and that, therefore, any violation of this article would give rise to irreparable damage to the District/Department and the public at large.

ARTICLE 10: GRIEVANCE PROCEDURE

1. A grievance is defined as a dispute regarding the interpretation or application of this Agreement. A grievance may be filed on the approved grievance form (Appendix A) by any bargaining unit employee or group of employees, or the Union. No grievance need be entertained or processed which does not meet this definition, is not presented in the manner described herein, and/or is not filed or advanced within the time limits prescribed herein.

2. Grievances will be processed in the following manner:

Step Two: If the grievant is not satisfied with the Deputy Chief's of Administration answer at Step One, the grievant will so indicate in writing delivered to the office of the Chief not later than ten (10) business days after the day on which the grievant received the Deputy Chief's of Administration answer from Step One. The Chief (or their designee) shall, within ten (10) business days after receipt of the grievant's written rejection of the Step One answer, render their decision on the grievance in writing.

The District Manager (or their designee) shall, within ten (10) business days after receipt of the grievant's written rejection of the Step Two answer, render their decision on the grievance in writing.

Step Four: If the Union is not satisfied with the District Manager's answer at Step Three, the Union may request final and binding disposition by an impartial neutral, mutually selected by the parties from an FMCS panel of seven (7) arbitrators with residences in Florida. Such request must be made in writing delivered to the office of the District Manager not later than ten (10) business days after the day on which the grievant received the District Manager's answer from Step Three. The neutral shall not have the power to add to, subtract from, modify, or alter the terms of this Agreement. The neutral shall not have the authority to determine any issues that were not presented in the prior steps. The expenses of the arbitration, including the fee and expenses of the arbitrator, shall be split by the parties. ARTICLE 21: LAY-OFF AND RECALL

1. In the event that the District has to make lay-off or recalls, the following procedures shall be utilized:
 - A. Bargaining unit members will be placed on a seniority list according to their job classification: firefighter/EMT, firefighter/paramedic, EMT, paramedic, driver/engineer.
 - B. Seniority will be determined by the starting date for full-time employment with The Villages Public Safety Department.
 - C. In the event that two employees within the same job classification began full-time employment on the same day, seniority will be determined by pre-employment test scores.
 - D. The list shall be followed in reverse order in the event of lay-offs within the VPSD. In other words, the least senior bargaining unit member within the job classification shall be subject to lay-off, should such lay-off become necessary. The District/Department may deviate from the list if such deviation is necessary because of the need for specially qualified personnel.
2. In the event that the District has to recall bargaining unit members who have been laid-off, the following recall procedures shall be used:
 - A. Laid-off employees shall be subject to recall in the reverse order of being laid-off. Thus, the last employee to be laid-off shall be the first employee subject to recall, providing that the employee still has the minimum certifications necessary for employment within the job classification. The District may deviate from the list if such deviation is necessary because of the need for specially qualified personnel.
 - B. The District/Department will offer jobs back to any laid-off employee before opening the position(s) to the outside general public. Bargaining unit members who are recalled will have three weeks from the date of recall to resume their duties with the VPSD. Should a bargaining unit member fail to return to duty after recall, he/she shall be presumed to have resigned their position with the VPSD and their name will be permanently removed from the seniority/recall list.

For example, if the employee defers 1% into their 457(b), the District would contribute an additional 1% into their 401a.

Year	District 401a Contribution	Employee 457(b) Deferral	District 401a Match	Total Combined 401a/457(b) Contribution
