### REGISTRATION PROCESS

\*In person registration begins at 8:30am, 6 days prior to each lesson. Example: if the lesson is on Wednesday, registration begins the previous Thursday at 8:30am. In person registration must be completed at any Regional Rec. Complex Monday through Friday 8:30am to 4pm. Weekend Registration Services are offered at La Hacienda, Lake Miona, Eisenhower, Rohan, and Everglades Rec. Complexes from 8:30am to Noon. Residents will need to provide all contact information and their Villages ID. Residents may only register themselves and one other resident. Due to the popularity of the program, Guests will need to call the host center the day before the scheduled activity after 4PM to check on availability. Please contact the host center in a timely manner should a registration need to be cancelled.

\*Residents may also register online beginning at 8:30am, 6 days prior to each lesson at [www.districtgov.org](http://www.districtgov.org). From the 'Departments' drop down menu select 'Recreation,' then select the "Click Here to Register Now" button.

### DISCLAIMER

If classes are canceled due to inclement weather, or if resident calls to cancel, the resident will need to sign up again for a future class following the same registration process detailed above. The Recreation Department will not cancel lessons until 60 minutes prior to class unless deemed necessary for the public, health, and safety of all participants. Please check with listed center for cancellations.

### Description of Classes

PT 101	Participants will learn safety, rules, and fundamentals of game including stance, grip, forehand and backhand strokes, and how to serve. Instructors will have participants play a game to learn scoring and court positioning. Upon completion of the lesson, participants will have been exposed to the basic aspects of the game and rules.
PT 102	<b>Prerequisite PT101:</b> Participants will learn how to use screens: side, back, and corner as well as positioning at the net and in the back court.
PT 103	<b>Prerequisite PT101 and PT102:</b> Learn strategies involving court positions, shot preparation, prime shot locations, serving, and receiving the serve. This is for more advanced players that can reliably hit overhands, lobs, screen shots, drives, and volleys.

## Mentored Play

Mentored Play is not a lesson - participants should attend PT 101 as a pre-requisite to Mentored Play. At Mentored Play participants practice what was learned in the lessons. Mentored Play is supported by Club Members. It's an opportunity for newcomers to the sport to play with other newcomers and experienced Club Members. Participants need to bring their own racquet or check one out from inside the Rec Center. There is no sign up or registration required. At all levels of instruction, we recommend that students practice what they have learned. Look in the Recreation & Parks Publication for Open Play or Mentored Play.
