### Description of Classes

<b>PT 101</b>	Participants will learn safety, rules, and fundamentals of game including stance, grip, forehand and backhand strokes, and how to serve. Instructors will have participants play a game to learn scoring and court positioning. Upon completion of the lesson, participants will have been exposed to the basic aspects of the game and rules.
<b>PT 102</b>	<b>Prerequisite PT101:</b> Participants will learn how to use screens: side, back, and corner as well as positioning at the net and in the back court.
<b>PT 103</b>	<b>Prerequisite PT101 and PT102:</b> Learn strategies involving court positions, shot preparation, prime shot locations, serving, and receiving the serve. This is for more advanced players that can reliably hit overheads, lobs, screen shots, drives, and volleys.

## Organized Beginner Open Play

Organized Beginner Open Play (OBOP) is not a lesson - participants should attend PT 101 as a pre-requisite to OBOP. At OBOP participants practice what was learned in the lessons. OBOP is supported by Club Members. It's an opportunity for newcomers to the sport to play with other newcomers and experienced Club Members. Participants need to bring their own racquet or check one out from inside the Rec Center. There is no sign up or registration required. At all levels of instruction, we recommend that students practice what they have learned.
