Class Description

PT 101	Learn safety, rules, fundamentals of game, including stance, grip, forehand and backhand strokes and how to serve. Instructors will have participants playing a game to learn scoring and court positioning. Upon completion of the lesson, participants will have been exposed to the basic aspects of the game and rules.
PT 102	Participants will learn how to use screens: side, back, and corner as well as positioning at the net and in the back court. Prerequisite PT101.
PT 103	Learn strategies involving court positions, shot preparation, prime shot locations, serving and receiving the serve. Prerequisite PT101 and PT102. This is for more advanced players that can reliably hit overheads, lobs, screen shots, drives, and volleys.
Mentored Beginner Play	No sign-up required. This program is offered only October through March and has members of the Platform Tennis Club present to facilitate game play for beginners. This is ideal for anyone who has completed the PT 101 lesson and wants to practice what they have learned.
