HOME REPAINTING: Architectural approval is not required if the desired color is the same color at the time of
original construction.

a) Districts 1, 3, 5, 6, 7, 8, 9, 10 & LL/LC: architectural approval is not required if the desired color is on the
approved color palette or is a color within the hue range of the palette. Requests for colors not on the approved
color palette must include an accurate color sample and photographs depicting current home colors along the
subject street within a 200-foot radius of the subject homesite.

b) District 2: does not have an approved color palette; therefore, all home painting requests must include an
accurate color sample and photographs depicting current home colors along the subject street within a 200-foot
radius of the subject homesite.

c) District 4: architectural approval is required even if the chosen color is on the approved color palette or is a color
within the hue range of the palette. Requests for colors not on the approved color palette are required to have the
desired color approved by the District 4 Board of Supervisors for inclusion on the palette.
