IV. Guidelines for Collecting Fees

Purpose: To better identify what is permissible for Resident Lifestyle Volunteer Leaders pertaining to the collection of money from participants for supplies or products. The Recreation Department has created these guidelines to better assist our Resident Lifestyle Volunteer Leaders to better communicate and inform participants what options are available to them.

Resident Lifestyle Volunteers: Volunteer instructors representing the Recreation Department are prohibited from receiving donations, fees or payment in any form for providing their services. Participants shall not be required to pay an entrance fee to participate in the activity. If a presenter or speaker is scheduled to give a special presentation, a fee may be associated with that special event as long as it has been advertised and scheduled in advance.

Volunteer instructors must offer participants options when it comes to the use of supplies, or products, for their activities. Funds collected for supplies and products must be used to replenish and purchase supplies or products.

The following listed options are approved by the Recreation Department for the purchase and use of supplies and products for Resident Lifestyle Activities.

1. Resident Lifestyle Volunteer Leader must provide a supply list, along with the supplies and price list for those items to be made available for participants to purchase.
2. Supplies and products along with price list must be set-up in the room on a table to allow participants to view and purchase those items voluntarily
3. Participants may purchase supplies during meeting time for the items they use.
4. The items being purchased by participants can not exceed the cost to purchase them.
5. Participants are not required to purchase items from the supply list. Resident Lifestyle Volunteer Leaders may provide participants with a supply list from which they can go out and purchase items on their own.
6. Participants may bring their own supplies for activity.
7. Funds collected for supplies may not be used to support any volunteer instructor services.

The Recreation Department requests the volunteer leader keep any records or receipts of supplies purchased. This will allow accountability for supplies and products purchased and provided. The Recreation Department will provide limited copies and equipment based on available budget. Please contact your Center Manager for more details.

V. Resident Lifestyle Room Reservations

Resident Lifestyle Groups may be scheduled up to one (1) year in advance (the current year plus one). **Resident Lifestyle Groups that have already been scheduled take priority over rentals however,** District Operated or Sponsored events shall have priority in the scheduling of facilities. Relocation or cancellation of any Resident Lifestyle activity must be approved by the Director of Recreation. In the event of a required change, every effort will be made to accommodate the affected group or organization.

Examples:

Recreation Sponsored Activities – Craft Shows, Train Show, Quilt Show, Visual Arts Expo
District Sponsored – Government Day, Elections

VI. Facility Permit

Each Resident Lifestyle Contact will be given a Facility Permit. Facility Permits are customer contracts for the use of the Recreation Department facilities in the Village Center Community Development District (VCCDD) and Sumter Landing Community Development District (SLCDD). Permits are issued for reservations for both indoor and outdoor facilities. The group contact person will be required to review and sign the Facility Permit. Each permit will have a minimum of a twelve (12) month room schedule on the permit.

Facility Permits contain the following information:

- Group Name/Activity
- Meeting Location
- Meeting Date
- Meeting Time
- Notes

Resident Lifestyle Groups will be scheduled in rooms that are conducive to the activity, group size, function and any other factors, such as noise level. This will be done in an effort to meet the needs of other scheduled activities.

The notes section on the Facility Permit provides information about changes to meeting dates, times, or locations due to maintenance or special events. If the room is not available, the group has the option to cancel the meeting or request an alternate location if available. However, there will be times activities will be modified.

The group contact person is responsible for notifying the Recreation staff of any changes to the Facility Permit such as contact(s), meeting cancellations, room changes, day, times, or locations and should notify the media of meeting changes or cancellations. Requests for a dance floor or any other special needs should be made at least one week in advance.

The group contact person should notify Recreation staff if they will not meet during certain time periods so the dates can be deleted from the permit; the room will still be available when the group returns to resume the activity.

Please abide by the start/stop times on the Facility Permit. These times are advertised in the Daily Sun – Recreation News, posted at the Recreation Centers and on the District web site. Permits issued allow for transition time for the room to clear so the next group can enter the room on time. If you require additional time, please contact the Recreation staff at the center where you meet in advance to adjust the permit.

The group contact person is responsible for notifying group members of any pertinent information on Facility Permits.

VII. Meeting Times

Board meeting time is available by adding additional time to the beginning or end of the group's regularly scheduled meeting time, or using unscheduled meeting time. The Recreation Department will review all requests for meeting times and take into consideration other event schedules and activities prior to establishing a meeting time. Room assignments are made based on availability.

Groups shall provide the Recreation Department with the name of at least one contact person. The group contact person must meet with the Recreation Facility Manager or Supervisor at the Recreation Center where the group is scheduled to meet prior to the first scheduled meeting. The contact person will meet with their respective Recreation representative or staff member a minimum of twice a year.

1) Room Changes

To make a change to a room reservation, the group contact must complete and submit a Resident Lifestyle Room Change Request Form to any Regional Recreation Center staff member. Room changes must be approved by Recreation and will be based on room availability. If a group rents/pays to reserve a room, the original room time scheduled may still be used (at no charge). If the group cancels the regularly scheduled room, the group contact person must notify a member of the Recreation staff.

- a) Room Changes Made By Recreation: Regularly-scheduled programs may need to be changed to accommodate the needs of the community as a whole. When special events or room maintenance are scheduled, the Recreation Department will move the group to another facility (at no charge), if requested, based on room availability. There may be times when a club or activity will be cancelled if no alternative facility is available.
- b) Room Changes Made at the Request of a Group:
 - i) The group would give up one of their regularly scheduled meeting time(s) for that month.
 - ii) Changes will not be made from November 1st to January 1st due to the scheduling of holiday parties.
 - iii) Groups may move to a larger center or room no more than twice a year.

The Recreation Department reserves the right to charge additional room fees based on the type and size of events that exceed regular meeting room requirements; this includes revenue-generating and benefit functions.

- c) Special Events: Based on room availability, if groups have bands, catered events or special events, additional time may be scheduled. Groups may adjust their time up to three (3) additional hours (at no charge) for a total of not more than six (6) hours including catering/setup time. All time exceeding six (6) hours will be charged the rental room rate.
- d) Meeting dates scheduled between December 21st and 31st: Resident Council groups with regularly-scheduled meeting dates between these dates may request to change the date of their meeting or move to a similar size room at another facility based on room availability. The group will give up the regularly scheduled meeting time and room. There will be no charge for this request.
- e) Groups that Meet in Outdoor Facilities: Resident Lifestyle Groups that usually meet in outdoor facilities may schedule indoor activities up to four (4) times a year (at no charge).
- f) Different Day/Time than Regularly Scheduled Meeting: Based on room availability, groups may request a different day/time utilizing a room of the same size (at no charge). The normal scheduled meeting time/location will be moved to the new date. Requests are not to exceed four (4) times per year.

2) Forming an Additional Group / Requesting Larger Meeting Space/ Location

If a request is made to form an additional group, provide a larger meeting space, and/or new location for a group, the Recreation Department will review the current population/attendance of participants, facility size, and the community interest for adding a similar group before approving a move to a larger meeting space and/or new location. Groups that have approval, and have met the requirements, will be considered for an additional meeting time, larger meeting space and/or new location. The meeting time for the new group will be assigned on the same day, same time, and at a different location. If that time slot is not available, the

Recreation Department may assign another time slot that is beneficial for the growth and management of the program.

VIII. Recreation Release Agreement (Waiver)

The Recreation Waiver is required to be completed by all residents that participate in recreational activities or events.

IX. Risk Management

In the event of an emergency requiring fire or medical attention, **call 911** and contact the Recreation staff member on duty. Please become familiar with the nearest phone and address of the facility, and AED machine location. District Public Safety Fire Marshall has final decision of room capacity and fire codes to ensure public health, safety, and welfare.

X. Facility Use

The Recreation Department makes every effort to accommodate as many lifestyle activities for our resident's enjoyment. In order to provide efficient use of facility space the Recreation Department provides a facility guide for determining facility use.

The following average minimum number of attendees must be maintained to reserve a room on a continual basis:

- Billiards Room: 4 out of 6 tables must be in use and unused tables must be offered for any requests.
- Card Room Village Center: 3 tables (12 participants)
- Card Room Regional Center: 10 tables (40 participants)
- Craft Room: 10 participants
- Meeting Room: 25 participants
- Theatre: 50 participants (may be less for dress rehearsals only)
- Outside courts as approved by the Recreation Department

Maximum number of participants and tables are determined by the Director of Recreation, center manager or Room Reservations.

Any unused room may be reserved any time within 24 hours. Setups for these rooms are limited to staff availability and up to 2 tables with 16 chairs. These items are not provided: audio visual including televisions and video equipment, podiums and computers.

Table tennis will be set up on request in available meeting rooms.

Card rooms are preset.

XI. Catered and Non-Catered Event Guidelines for Resident Lifestyle Group Functions

The Recreation Department recognizes that many sponsored activities and groups enjoy hosting events where food and/or beverages are provided. The Recreation Department has approved guidelines for catered and non-catered events and allowing caterer's access to District-owned or managed Recreation Department facilities. These guidelines will allow Recreation to provide quality maintained facilities, and ensure that Recreation is meeting the best interests of the District and those who will be using the facilities.

The Resident Lifestyle Group contact person is required to notify the Recreation Center staff at the Recreation Center where the event is held prior to having a food and/or beverage function at any regularly scheduled meeting. This allows the Recreation Department to make sure the room is set up properly and not in violation of the District catering agreement.

The Catering Guidelines below are outlined specifically for Resident Lifestyle Groups.

BYOB is defined as alcoholic beverages for personal consumption and use. Individuals may not sell alcoholic beverages, nor may they be distributed at the event for group consumption. Kegs are prohibited, as BYOB. See Facility Guidelines for additional information and alcohol and liquor license requirements.
