Bond Payment Cut-Off Date-March 15, 2024

If you still have a Bond balance on your Villages home, you can continue to pay the Bond through the annual assessment on your County property tax bill, or you may choose to prepay the remaining Principal balance at any time. If you are interested in paying off your Bond in full, you will save half the interest for the year if we receive your payoff check before the end of business on Friday, March 15, 2024. You will also eliminate the annual Bond assessment on your November 2024 tax bill and avoid future interest payments.

Please contact the Bond office at 352-751-3900 to obtain your Bond payoff amount and instructions on how to submit your payment. Payments can be placed in the District Drop Boxes located at each Postal Station (up until March 11th) and the District Drop Box located outside the main office (until 5pm on March 15th.) Please call to schedule an appointment prior to visiting the office.

Please remember that even when the Bond is paid in full, there will continue to be an annual maintenance assessment on your County property tax bill which pays for ongoing costs to maintain the infrastructure of your District.

Irrigation Flushing prevents the accumulation of small particles and build-up, which can lead to plugging issues in our irrigation system. This service continues in Districts 5-8 and you will see the Jacobs team opening fire hydrants and flushing irrigation lines only into the roadway. This maintenance work will not have any effects on your drinking water quality nor pressure.

Work hours will be from 8 am to 5 pm.

The safety of residents and contractor personnel is of the utmost importance. We are requesting everyone to abide by all barricades and warning signs and to avoid the active work area for anything other than access to your property. Information will be updated regularly on the District website on when you can expect to see the Jacobs team in action in your area. If you have any questions or would like additional information, please contact **District Utility Customer Service at 352-753-0000.**

A tentative schedule of impacted areas in the upcoming week:
St. Charles Friday, March 15 through Tuesday, March 19
St. Charles Wednesday, March 20 through Friday, March 22
