POST-HURRICANE DEBRIS HAUL SCHEDULE

Following Hurricane Milton, the Village Community Development Districts engaged our debris hauling contractor, Ceres, to handle storm debris collection throughout The Villages. As local government entities, each District qualifies for Federal Emergency Management Agency (FEMA) reimbursement for these cleanup efforts. Debris removal must be accurately coordinated, tracked, and separated (by District) for FEMA reimbursement purposes; so, this is a carefully planned, monitored, and executed operation.

Debris collection **began October 20, 2024**, and crews are working daily from sunrise until approximately sundown. Given our community's extensive size of over 90+ square miles, please be patient as the debris is collected. We will continue to provide updates as they are available on when you can anticipate collection to begin in your area.

Debris collection has been completed along the following roadways this week:

- All major roadways have been mostly completed, with minor areas still needing to be addressed.
- Recreation Centers and Fire Stations are almost completed.
- Crews are scheduled to begin working in the numbered Districts Thursday, November 7, beginning North and moving South.

This schedule will be updated weekly. Please visit Distrigov.org for the latest updates.

Important Guidelines for Residents:

- To ensure efficient collection and maintain community safety, please –
- Place all storm debris in the right of way of your residential property;
- Do not place debris in roadways, cul-de-sacs, or on driveways; and
- Keep debris clear of storm drain inlets and electrical boxes, and please do not use plastic bags for any storm debris.

We recognize that residents are eager to see debris removed from their neighborhoods. Currently, Ceres is managing limited resources due to multiple severe weather events affecting Florida and other states. District Management is actively working with Ceres to secure additional local resources to expedite the collection process.

As a reminder, storm debris eligible for special pickup includes items directly damaged or displaced by the hurricane, such as fallen tree branches, uprooted shrubs, broken fences, and roofing materials torn off by high winds. In contrast, regular yard maintenance waste, which is not eligible for this special collection, includes routine grass clippings, pruned branches from regular trimming, seasonal leaf fall, and hedge trimmings from normal landscaping activities.

COUNTY FARM CITY WEEK

SUMTER COUNTY

Farm City Week will be held **November 20-27**, which has been an annual event since the 1950s to celebrate and promote agriculture. It is a week to express appreciation for the beneficial partnerships between growers and consumers.

In honor of Farm City Week, Sumter County Economic Development, UF-IFAS Extension and other community partners will hold a special event at Heartland Foods in Lake Panasoffkee on November 15, from 10 a.m. until 2 p.m. The event will be held under a shaded pavilion and includes educational presentations, complimentary lunch and a tour of the nursery operation.

While a free event, registration is required as space is limited.

For more information and to register, please visit [Sumtercountyfl.gov/farmcity](https://sumtercountyfl.gov/farmcity)

If you have event-related questions, please contact Sumter County Economic Development at 352-689-4400

Public Notice

The Villages®
Recreation & Parks

Recreation is an integral part of the lifestyle of The Villages community, providing our residents with outlets for leisure, exercise, socializing and entertainment. So that your programs and activities remain enjoyable for everyone, it is important that we respect our recreation facilities and fellow residents who utilize them. When using the recreation facilities, we share with you the recreation code of conduct. If any issues arise, we ask that you work towards a resolution, taking advantage of the following mechanisms which are in place to help you with any issues.

- The use of obscenity, profanity or vulgarity in any conversations involving participants or department staff will not be tolerated.
- It is everyone's responsibility to maintain a safe, pleasant, and comfortable playing atmosphere.
- Every individual who participates in any program has the right to be treated with respect. The Golden Rule, "Do unto others as you would have them do unto you," prevails.
