Community Development Districts

MULTI-MODAL PATHS

The many trails and pathways in The Villages provide the opportunity to explore Florida's natural beauty, get fresh air and exercise, and give Villagers the ability to enjoy the connectivity that brings us closer together.

Multi-Modal Paths are an essential part of the connectivity and what it means to live The Villages lifestyle. Stay connected by using the multi-modal paths which allow you to experience new neighborhoods, recreation centers, golf courses, health centers and much more!

LET'S SHARE THE PATH!

SEE, HEAR, ACT POLITELY & RESPONSIBLY TO ENJOY!

Multi-modal paths are intended for the enjoyment of non-automotive traffic such as bicycles, golf cars and pedestrians. Vehicles are not permitted on any of the multi-modal paths in The Villages, which include automobiles, smart cars, motorcycles or mopeds.

We also encourage all golf car drivers in The Villages to learn about **Golf Car Rules of the Road and Safety Tips**. You can find more information about golf car safety on our website at DistrictGov.org by scanning the QR code. You can also visit the District Customer Service Centers to pick up an informative brochure.

MULTI-MODAL PATHS

For everyone's enjoyment - Be safe and **SHARE** the path!
