Fiber Optic Utility Easement Work

Please be advised that fiber optic utility easement work will be taking place in Village Community Development District No. 8 over the coming weeks and months.

The location of utility easements varies throughout the community, and work may be conducted in closer proximity to some residences compared to others.

Residents in affected areas will receive door hangers with additional information before work begins in their specific location. If you have any questions or concerns about the work, please contact the telephone number provided on the door hanger: 1-615-326-1393

District Staff will be closely monitoring the project to ensure any impacts to District infrastructure are minimized and properly addressed.
