Community Watch Speaker Series

SCAM AND FRAUD PREVENTION

Community Watch is proud to host a speaker series to help educate our residents on how to recognize and prevent common scams and frauds. Key speakers will include local law enforcement, CrimeLine and Seniors vs Crime.

In an age where scams are becoming increasingly more sophisticated, fraudsters are finding new ways to target individuals. This series will provide the knowledge and tools you need to protect yourself from falling victim to these schemes.

THE UNFLUSHABLES

Information provided by **JACOBS**

Keep wipes and other products from clogging your community's sewer system

To keep wastewater systems working properly, please flush only the appropriate waste down the toilet.

WIPES CLOG PIPES, SO REMEMBER THESE TIPS:

FLUSH IT:

Biological waste (urine, feces) and toilet paper are the only materials that should be flushed down the toilet. Toilet paper breaks down in water. Others products d not.

TRASH IT:

Paper towels, feminine hygiene products, wipes, and similar products must be disposed of as domestic waste and NOT flushed down the toilet.

**IT'S A TOILET
NOT A TRASH CAN**

***ONLY FLUSH TOILET
PAPER**

These steps will help us keep collection and treatment systems operating properly. If there's no toilet paper and you must use something else, keep a trash bin in the bathroom to dispose of non-toilet-paper products. Clean the bin and surrounding areas regularly. Businesses should provide similar trash bins and consider posting signs reminding patrons not to flush non-toilet-paper products.

Please help us avoid unnecessary sewer clogs and backups.
