VPSD Honors Heroes at Tunnels to Towers 5K

On November 8, 2025, firefighters from the Villages Public Safety Department (VPSD) proudly took part in the Tunnels to Towers 5K at The Villages Polo Fields. The event honors the bravery of FDNY Firefighter Stephen Siller, who gave his life on September 11, 2001. Off duty that day, Siller ran through the Brooklyn Battery Tunnel carrying more than 60 pounds of gear to help those in need. His courage inspired the Tunnels to Towers Foundation, which now supports families of fallen and injured first responders and military veterans.

A highlight of the 5K is the “Follow the Footsteps” Award, given to individuals who demonstrate the same courage, humility, and service Firefighter Siller showed. VPSP is proud to have members recognized for three years in a row. This year’s award went to EMS Battalion Chief Joe Schenk, whose 30+ years of service exemplify dedication and leadership. Chief Schenk played a key role in expanding VPSP’s ambulance services, developing training programs, and mentoring firefighters and paramedics. His work has strengthened the department and positively impacted the community.

Participating in the Tunnels to Towers 5K is more than a race- it’s a way for VPSP to connect with residents, celebrate heroes, and support a meaningful cause. Residents attending the event had a chance to meet our firefighters, learn about the Foundation, and see the community come together in support of those who serve.

VPSP thanks the event organizers for their hard work and dedication. The department looks forward to continuing its support for the Foundation and honoring Firefighter Siller’s legacy through service, leadership, and community engagement.
