At these hearings, the officer accepts competent evidence and testimony, issues findings of fact and, when appropriate, orders remedies authorized by the deed restrictions and district rules.

B) Procedures for Compliance of External Deed Restriction Limitations.

The Board hereby adopts by this Rule, detailed Procedures for Compliance of External Deed Restrictions for the District ("Procedures") which are attached hereto as **Appendix "B" and Appendix "C"** and incorporated herein by this reference. The Procedures provide, among other things, a process for initiating and receiving complaints regarding Deed Restriction violations, time frames for coming into compliance, fine schedules, recording of the Order of Enforcement in the Public Records of Marion County, Florida (Appendix "B") and establishes an explanation and process for processing FHA requests from residents seeking an accommodation to their personal property, outside what is permitted through the Architectural Review Manual and Architectural Review process (Appendix "C").

C) Deed Restrictions. The Board hereby adopts by this Rule portions of the applicable Deed Restrictions that relate to limitations or prohibitions that apply to the external appearances or uses of Homesites or that are consistent with the

requirements of a development order or regulatory agency permit. A detailed list of the exact Deed Restrictions being adopted by this Rule for possible enforcement by the District is included in the Procedures for Compliance of External Deed Restrictions and Schedule for Fines, attached as Appendix “B”.

D) Fines/Attorneys’ Fees/Costs. Fines may be imposed for violations of this Rule. In addition, the Board shall require that each Owner reimburse the District for attorneys’ fees and costs incurred by the Board in enforcing the Deed Restrictions against the Owner. The Board hereby adopts the Procedures for Compliance of External Deed Restrictions and Schedule for Fines, included within attached Appendix “B”, to be followed when imposing fines for violations of the Deed Restrictions adopted by this Rule. Deed Compliance Hearing Officer shall make all final decisions regarding the imposition of fines, if any, at a Public Hearing. E) Compliance Mechanisms. The Board hereby adopts by this Rule, which includes Appendix “B,” all the Compliance Mechanisms contained in the Deed Restrictions that apply to the external appearances or uses of Homesites, including the requirement for Owner’s to reimburse the District for attorneys’ fees and costs expended by the District in enforcement of such Compliance Mechanisms. Such Compliance Mechanisms include but are not limited to:

- (i) if the Owner does not adhere to the Deed Restrictions regarding keeping the Homesite neat and clean and the grass cut and edged then the work may be performed on behalf of the Owner by the District, but the District shall not be obligated to perform such work, and the cost shall be charged to the Owner as a fine as indicated on the schedule of fines. Said fines shall not be imposed until a Public Hearing is held.
- (ii) the District’s approval over external structural alterations (including but not limited to fencing, sheds, arbors or similar items), repainting, additions, repairs or improvement of residences/Homesites. Said approval may be granted via an Architectural Review Hearing Officer or an architectural review committee created by the District by resolution or interlocal agreement.

F) Enforcement Remedies. The District shall have the right but not the duty to enforce the Deed Restrictions adopted by this Rule. In accordance with the Statute, the District has the right to enforce this Rule and the fines imposed thereby in circuit court through injunctive relief. The Statute also provides that the District can adopt by rule all or certain portions of deed restrictions that relate to enforcement remedies that apply to the external appearances or uses of Homesites. The Board hereby adopts by this Rule all the enforcement remedies that apply to

the external appearances or uses of Homesites found within the Deed Restrictions adopted herein. Such enforcement remedies include but are not limited to the District's right to seek injunctive relief, to collect any imposed fines, attorneys' fees and costs, and to recover damages or any property charges for such violations. The Board also hereby adopts those portions of the Deed Restrictions requiring that the prevailing party in any legal proceeding or action be entitled to reimbursement of its reasonable attorneys' fees and costs.

G) Final Enforcement Decision. The Deed Compliance Hearing Officer shall make all final decisions regarding which enforcement remedy to seek, if any, at a public hearing. The affected Owner shall be noticed of the date, time and location of the public hearing via certified mail sent to the address on record at the property appraiser's office and any other known addresses of the Owner. If the mail is returned non-deliverable, then notice of the hearing shall be posted on the property. At the public hearing:

- (i) the Owner shall be allowed to present testimony, evidence and witnesses on their behalf, and cross examine witnesses in regard to the allegations, fines and charges against the Owner.
- (ii) parties that will be substantially and directly affected by the outcome of the Deed Compliance Hearing Officer's decision shall be heard.
- (iii) upon conclusion of all testimony and submitted evidence, the Deed Compliance Hearing Officer, taking into consideration staff's recommendation, shall determine whether the Owner is in violation of the Rule. If the Deed Compliance Hearing Officer finds that the Owner is in violation of the Rule, the Deed Compliance Hearing Officer shall issue an Order of Enforcement. The Order of Enforcement shall include a finding regarding non-compliance, provide a reasonable time for the Owner to come into compliance with the Rule, impose fines, if any, and require reimbursement of the District's attorneys' fees and costs, in accordance with the adopted fine schedule. The Order of Enforcement shall also direct district staff to record the Order of Enforcement in the Public Records of Marion County, Florida, whereby the Order of Enforcement shall then become a lien against the property. The Deed Compliance Hearing Officer may also order continued maintenance of the property. The Order of Enforcement may include direction to District Counsel to seek all available legal remedies including injunctive relief against the Owner and any other directive deemed necessary by the District's Deed Compliance Hearing Officer allowed by Statute.
