Description of Classes & Clinics

Intro to PB Virtual Classroom	<u>Introduction to Pickleball:</u> A virtual classroom is available at pickleballcommunity.com. Select Instructional Program and then select Virtual Classroom. This is required viewing prior to attending Intro to PB.
Intro to PB	<u>Prerequisite is Virtual Classroom:</u> Students will learn the physical demands of the game, as well as balance, footwork, and movement. Through eye-hand coordination drills & paddle drills they will learn paddle & ball interaction. Learning basic serves, ground strokes and dinks will prepare them to play. Instructors will advise students when they are ready to move on to Beginner Mentored Play.
Beginner Mentored Play (BMP)	<u>Prerequisite is Intro to PB:</u> Students will attend five BMP sessions before moving onto Advanced Beginner Clinic, unless advised by the BMP Mentor to advance without attending 5 BMP sessions.
Advanced Beginner Clinic	<u>Prerequisite is both Intro to PB and the BMP series:</u> Students will be taught how to practice and drill on their own through a series of drills. Focusing on the strokes learned in Intro to PB, the students will dink, serve, and hit both forehand and backhand ground strokes. Some students, with advanced skills, may be taught additional strokes. Instructors will advise students when they are ready to move on to Skills Clinics.

Clinics

Residents who have completed the Intro to PB courses and those residents who are trained elsewhere and meet the standards of a 2.5 player as defined on the pickleballcommunity.com website may sign up for the Non Volley Zone Concepts and Full Court Concepts.

Clinics	<u>1.Non Volley Zone Concepts:</u> Development techniques to improve Non Volley Zone shots using a games-based drill and play format. Instruction on creating open space, ball pace, moving opponents, ideal strike zone, paddle angles, and ball pathways to achieve a variety of shots for successful play. <u>2.Full Court Concepts:</u> Teaching the deep forehand and backhand ground strokes needed in the serve and return of serve. Focus on transitioning to the non-volley zone using the drop-shot via games-based drills and play. <u>3.Partner Development Concepts:</u> This is a circuit style class with 3 courts designated for Full Court game play, and 3 courts focused on strategies for the Non Volley Zone. Players rotate to all courts during the class time and intermix with other participants. Students must have a 3.0 PCVG or DUPR rating to attend. <u>4. Strategy Play Concepts:</u> This class is designed to utilize your skills to execute a successful game plan against any opponent by introducing offensive and defensive strategies, with an emphasis on the transition zone. Students must have a 3.0 PCVG or DUPR rating to attend. <u>5. Moving Beyond 3.5</u> This class focuses on the following 3 key areas: the first 5 shots of a rally, Non Volley Zone play, and playing under control. Students must have a 3.5 PCVG or DUPR rating to attend.
----------------	---

At all levels of instruction, we recommend that students practice what they have learned. Look in the Recreation & Parks Publication or check the schedule above for Beginner Play times. This court time is designed for beginner players to develop their game with players at a similar level.
