**A RULE OF THE
VILLAGE COMMUNITY DEVELOPMENT DISTRICT NO. 8
CHAPTER III**

**PROVIDING FOR THE REGULATION OF PARKING AND
AUTHORIZATION FOR REMOVAL OF VEHICLES AND VESSELS
FROM DISTRICT-OWNED PROPERTY; PROVIDING FINDINGS;
DEFINITIONS; ENFORCEMENT PROCEDURES; AND PROVIDING
FOR AN EFFECTIVE DATE.**

Section 1. Authority and Formal Findings

This Rule is adopted pursuant to Chapters 190 and 715, Florida Statutes, and the District's proprietary authority over property owned or controlled by the District. The Board of Supervisors of Village Community Development District No. 8 (the "District") makes the following specific findings:

- a) The District owns and/or controls certain tracts, roadways, and infrastructure areas as depicted in recorded plats, including but not limited to the villa unit plats identified in Section 3 herein.
- b) Said plats designate certain areas for limited purposes, including temporary parking, access, utilities, and maintenance, and do not authorize unrestricted parking.
- c) Unauthorized parking on District property interferes with: (i) emergency vehicle access; (ii) traffic circulation; (iii) infrastructure maintenance; and (iv) public safety.
- d) The District has the legal authority to regulate the use of its property and to remove unauthorized vehicles.
- e) The District adopts procedures consistent with the principles of Section 715.07, Florida Statutes, to ensure reasonable notice and fairness, while exercising independent governmental authority.
- f) The Board finds that a posted notice and cure period provides constitutionally sufficient notice and opportunity to be heard prior to towing.

The review shall include consideration of: (i) photographic evidence; (ii) documentation of notice posting; (iii) documentation of attempted personal notice; (iv) the location and condition of the Vehicle or Vessel; and (v) any information submitted by the requesting party.
