RECREATION SOCIAL LEAGUES | WHAT YOU NEED TO KNOW

- Recreation Social Leagues are **“Just for Fun”** Leagues with an emphasis on socialization. Residents will play with their friends and neighbors and make new friends along the way!
- The Leagues are organized by Recreation & Parks Staff. Staff will create the schedule and record stats. Both will be made available at the host Recreation Center.
- Matches/Games will be at the same time and location for the duration of the League (**7 WEEKS**). Participants are committing to play **ALL 7 WEEKS**.
- **REGISTRATION IS REQUIRED.** Residents must be 50 years of age or older as of December 31 of the current calendar year to participate.
- One member of a team in a **2-PERSON OR 4-PERSON LEAGUE** should register the entire team. Residents may sign up one other Individual or Team (on a separate application) should that Individual or Team be unable to register on their own. All applications must be completely filled out in order to be accepted at the time of registration.
- **INDIVIDUAL LEAGUES** – participants will register individually and will be paired with different partners each week and play doubles.
- **INDIVIDUAL (SINGLES) LEAGUES** – participants will register individually and will play 1v1 each week.
- **RESIDENTS** who do not have partners may submit an application for 2-person Leagues but registration priority will be given to complete teams. Recreation Staff will attempt to pair the Individual with another player if possible but cannot guarantee a pairing will be made.
- * **SUBSTITUTES** – residents who cannot commit to all 7 weeks may instead choose to Sub. The host Recreation Center will reach out week-to-week as Subs are needed. Participants wishing to sign up to play as a sub only or do not have a complete team should not complete online registration. Sub only/incomplete team players should fill out and submit a league registration form directly to that league’s host center. Registration priority for 2- and 4-player leagues will be given to complete teams. Recreation Staff will attempt to pair the individual with another player if possible but cannot guarantee a pairing will be made.
- Leagues may be combined if registration is low or added if registration is high.

- **A MIXED TEAM** may be made up of any combination of males and females. However, Mixed Pickleball teams must be **MALE/FEMALE**.
- **MORE INFORMATION** will be provided during the League’s Organizational Week Meeting.
- **SKILL CLASSIFICATIONS** Ratings are not required to participate in any League and are not checked by Recreation Staff. Participants are asked to self-evaluate and register for a League that best meets their skill level for their enjoyment, and the enjoyment of fellow League-mates.
- **SKILL GUIDELINES**
 - o Beginner: Somewhat comfortable with rules. New to the sport and developing skills.
 - o Intermediate: Comfortable with all rules. Skill, strategy, and experience levels are established and growing.
 - o Advanced: High level of understanding of all rules. Superior strategy and skill level.
- Please contact the league host center for more info or if you need to cancel registration.
