LADY LAKE "ASK OUR EXPERT ANYTHING" PROGRAM

This October the Town of Lady Lake is celebrating Cybersecurity Awareness month with their "Ask Our Expert Anything Program". This event allows residents to get answers to their cyber questions directly from a local cybersecurity expert.

Have a question about staying safe online? Bring it to Cybersecurity Unlocked. This event will be hosted at the Lady Lake Library on Thursday, Oct. 15, at 1 p.m. at 225 W. Guava St.

Howard Davis, the Town's IT cybersecurity expert, will answer residents' questions about common online safety concerns, including:

- Spotting scams, suspicious emails and texts
- Password and smartphone security
- Social media, online banking and shopping
- Safe internet browsing and more

All experience levels are welcome, and no registration is required. This program is free and open to the public.

Many older adults want to “age in place” —stay in their own homes as they get older—but may have concerns about safety, getting around, or other daily activities.

A few changes could make your home easier and safer to live in and help you continue to live independently.

**Don't use
area rugs
and check that all
carpets are fixed
firmly to the floor.**

Install a ramp with handrails to the front door.

Install grab bars near toilets and in the tub or shower.

Replace handles on doors or faucets with ones that are comfortable for you to use.

Reduce fall hazards: place no-slip strips or non-skid mats on tile and wood floors or surfaces that may get wet.

Place light switches at the top and bottom of stairs and remember to turn on night lights.

A BIG THANK YOU TO THOSE WHO JOINED US

A big thank you to everyone who helped make this annual event such a success! We appreciate all the residents who came out to connect with the people who work behind the scenes to maintain and care for the place you call home.

This event provided a great opportunity for residents to meet members of our District Property Management team, ask questions, learn more about the work taking place throughout the community and get answers directly from the people who help keep The Villages looking and functioning at its best.

Our District Property Management team put a lot of time and effort into creating this opportunity for residents, and your participation is what makes events like this so meaningful. Thank you for joining us, sharing your questions and being an active part of the community!

Keep an eye out for more opportunities to connect with our teams, ask questions and learn more about the work happening throughout the community. We look forward to seeing you at the next event!

"THE EXTRA MILE"

This year's Customer Service Week takes place from October 5-9 and the theme is **"The Extra Mile"**. We would love to hear how our Customer Service team has gone the extra mile for you!

Whether it was a helpful conversation, a problem they helped solve, or simply an interaction that made your day a little brighter, we want to hear about it. Please share your Customer Service experiences with us by emailing CustomerService@DistrictGov.org.

Your kind words and recognition mean so much to our employees!

We would also love for you to stop by one of our Customer Service locations during Customer Service Week to say hello and show your appreciation for our wonderful employees. A friendly smile, a kind word, or a simple "thank you" can go a long way!

And now for the fun part... The Seek & Find!

Our employees will be participating in a Customer Service Week Seek & Find Quest! They'll be on the lookout for residents sporting fun items or designs—think flamingos, sequins, pumpkins, college football teams, and more!

And don't forget the accessories! Sun visors, leggings, pearl jewelry, and other fun finds may help complete their quest.

So, if you're wearing something that catches their eye, don't be surprised if you become part of the fun!

Come see us, say hello, and help our team go the extra mile!
